LIFESONG - ZAMBIA SCHOOL RECEIVES A+

We are happy to report that our staff in Zambia has received positive comments from the parents/guardians for the wonderful work they are doing at the new school. Some of the women said that Lifesong is one of the best schools in the city, because it embraces all areas of their children's needs, not just academic. Some of these comments include:

- ◆ Noticeable improvements in behavior and attitudes at home
- ◆ Increased use and understanding of English
- ◆ Increased academic achievement
- ◆ Improved health (*Lifesong provides nutritional food and health care to children when they are sick*)
- ◆ Spiritual growth

WHAT BRINGS JOY TO OUR STUDENTS?

I am full, having received the things which were sent from you...an odor of a sweet smell, a sacrifice acceptable, well-pleasing to God. Phil. 4:18

Something as simple as a new desk! Not only does it make their school work more manageable, it also tells them that they are being cared for by people they have never met. Because of the generosity of some special donors, Lifesong was able to provide new desks for the children. The excitement and joy these desks produced made delivery day a very memorable one for the children and the staff.
