

What We Do

Lifesong currently serves approximately 150 orphans in the Kitwe, Zambia region through a Christian School & Caretaker program.

Inviting You!...

We invite your church to help care for orphans who may never be adopted through our Orphan Care program. Through the Lifesong Christian School we are shepherding children's hearts towards Christ, giving them a solid education for the future, and providing consistent nutrition for the children. Our staff is aimed at helping the children and staff build trusting, loving relationships to develop and mature into Christians.

While Lifesong is helping to “bring joy and purpose to orphans” - the job is too big for us to do alone.... we need your help. We invite you to participate in what God is doing on behalf of the fatherless through the “Adopt-a-School” program.

Love & Support

We firmly believe that the only way we can change kids' lives eternally is by engaging the US church and the local Zambian church to come alongside the needs of orphan children. We invite churches to consider making a 2-3 year commitment to “adopt” the Lifesong Christian School initiative. This Adopt-a-School commitment could include:

1. **Yearly Mission Trip** - a team of up to 8-14 people visit a Zambian orphan care initiative that Lifesong does significant work in. This is a prime opportunity for the US Christians to work alongside of and encourage the Zambian staff and Christians...as you both serve orphans! These trips usually have a daily VBS component as well as some minor construction opportunities. The trips are approximately 6-10 days (depending on activities).
2. **Letter-writing sponsorship** - Although our goal is to engage the indigenous Christians to have deep and meaningful relationships with the orphan children, we also know it is very beneficial for the children to have a relationship with their sponsors. We invite individuals of the sponsoring church to write letters on a regular basis, either quarterly or semi-annually.
3. **Consider financial support Lifesong Zambia School** - Help financially support the indigenous caretakers, teachers, and other staff that will do the year-round, daily mentoring and discipleship.

Please contact Lifesong at 309.747.3556 or visit www.lifesongfororphans.org for more information

Lifesong's Commitment

1. **Stewardship** - A ministry partner is covering all of Lifesong's U.S. based administrative costs, allowing 100% every donated dollar to go to directly to Orphan Care or Adoption Grants/Loans.
2. **Guiding the Ministry** - ensure that our Lifesong Zambia program is maximizing stewardship and effective in changing the lives of orphans in as many ways as possible.
3. **Facilitate Mission Trips** - LS will help you make travel arrangements, aid in planning the daily activities of your trip, etc.
4. **Facilitate Letter-writing** - LS staff will help facilitate the letter-writing between child and sponsor, including translation and delivery (quarterly or semi-annual basis).

Example Proposal: First Baptist Church to "adopt" Lifesong Zambia School

LifeSong invites First Baptist Church to partner with us in changing the way the world cares for orphans and prayerfully consider: "adopting" the Lifesong Zambia School.

In summary, we are requesting First Baptist Church to make a 2-3 year commitment in these 3 areas:

1. At least 1 yearly mission trip to Kitwe, Zambia
2. Letter-writing to children on (quarterly or semi-annual basis)
3. Consider financially supporting the education, discipleship, and nutrition for 150 children at the Lifesong Zambia School

*A higher standard.
A higher purpose.*
