

Lifesong Grant & Loan Families

*“After having gone through the Adoption Grant/Loan process with you and experiencing the quality of Lifesong for Orphans as an organization... I would like to pursue launching a Church Adoption Fund at [my church]...” - **Corey and Sarah DeGoffau, adopted a girl from China (Grand Rapids, MI)***

*“Lifesong for Orphans was great at getting our application through the process quickly and they committed a \$10,000 Interest-Free Loan to help bridge our cash flow crunch until we were able to repay through a manageable repayment plan. Thank you to everyone involved with Lifesong for Orphans for making it possible to focus on the child God had provided for us, Alek, and not on the stress of money and finances.” - **Sam and Carrie Gutwein (Indianapolis, IN)***

*“Thank you Lifesong for Orphans! We could not have brought home our daughter from the Philippines without the \$3,000 Adoption Matching Grant we received from you. Not only did we feel blessed by Lifesong for Orphans but also the many, many financial blessings we received from our friends and family who were glad to support our adoption. We would not have felt comfortable requesting assistance from the people around us without your encouragement and accompanying letter. Everyone was very excited to have their donation doubled (through the matching grant) and felt like they were also a part of making this incredible miracle happen. The prayers and encouraging phone calls from your staff were also very helpful.” - **Jim and Gina Wilson (Mason, OH)***

Local Church Adoption Funds

“Lifesong for Orphans has a world-class model of how to create and implement Adoption Funds (grants/loans) in the local church...you are certainly leaders in this field.”

- **Bob Mudd, Southeast Christian Church adoption ministry (Louisville, KY)**

“As a local church ministry we wanted to come alongside individuals who were unable to afford the initial up-front costs of adoption, and to partner with a group who could implement the Fund effectively, in a way that our church leadership would be comfortable with. It is undeniable how God is using the Adoption Fund (grants/loans) at our church to bless the lives of children and families in ways we could never have imagined. At each step along the way the Lifesong for Orphans team has come alongside us and served us with excellence! We are thankful for the heart and vision of Lifesong for Orphans and its commitment to serve the fatherless...”

- **Michael Monroe, Tapestry adoption ministry/Irving Bible Church (Irving, TX)**

Lifesong Orphan Advocates /Donors

*“It was an answer to my prayers, when Lifesong for Orphans asked me to become an Orphan Advocate and Vision Team member, it enabled me to give financially and also give my time, gifts, and abilities in a meaningful way ...” - **Bob Hoerr, CEO of PJ Hoerr, Inc., and Lifesong Vision Team member (Peoria, IL)***

*“Lifesong for Orphans allows me to be more than a just a donor, by inviting me to be actively engaged in creating and growing adoption/orphan care initiatives...and I can do this without ‘recreating the wheel’ of starting a new 501c3 organization to accomplish my passion to care for orphans.” – **Jeff Rose, CEO of Waco Filters, Inc. and Lifesong Vision Team member (Philadelphia, PA)***
